Here at Orange County National, we strive to provide the most enjoyable experience possible for all of our guests. Our POP is 4 hours, 12 minutes (14 minutes per hole average) or less.

Tee Times

Please arrive to the tee 9 minutes prior to your tee time. You should be striking the first shot **AT** your scheduled tee time! If you are late, you will be asked to proceed on the course back in position or wait for the next available tee time.

Q: How do I know I'm out of position on the golf course?

A: You have 11 minutes to play par 3's, 14 for par 4's and 17 for par 5's from arriving at the tee to arriving to the next tee. If you are not keeping up with the group in front of you or find the groups behind you consistently waiting to hit, check your time. If you are not keeping with the 14 minute per hole average or less, then you are out of position.

Q: What do I do when I'm out of position?

A: Refer to the RPM Player Actions or seek assistance from our ranger staff. They will give you the appropriate action to regain position. ****Please keep in mind, our ranger staff is there to help! We want every group to enjoy their round and have the opportunity to play free from delays!!!*
